

Sponsorship Opportunities

Alberta Sand and Gravel Association Summer Webinar Series

Thank you for your interest in the ASGA 2021 Summer Webinar Series. Without the generous support of all those involved, we could not continue to offer valuable events each year.

The summer webinar series will be three events over the three summer months on government policy changes that matter to every aggregate producer in Alberta. Every ASGA member will have free access to watch the webinar live or archived on our member site. Each 30-45 minute webinar will have three sponsorships available at \$250 + GST each.

What Sponsors Get:

- Logo on at least one e-mail to members.
- Logo on at least two ASGA social media posts.
- Logo displayed at the beginning and end of webinar
- Verbally thanked by moderator at the beginning and end of webinar

Please ensure that you fill out and send back BOTH pages of the registration form to properly secure your registration. Sponsorships are first come, first serve.

Sponsor Opportunities:

Sponsorship spots	Event	Date
Three spots at \$250 + GST	Environmental Permitting: Looking at the implementation of DRAS, and municipal permitting duplication, and other issues related to permitting through Alberta Environment & Parks	SOLD OUT Friday, June 25, 10:00 AM
Three spots at \$250 + GST	Community Aggregate Payment Levy: The CAPL program will be revised and renewed next year. What changes is ASGA advocating for? Can they be achieved?	Friday, July 23, 10:00 AM
Three spots at \$250 + GST	Occupational Health & Safety: ASGA has been working for two years to get reforms for a safer and more efficient aggregate pit. What changes might be coming?	Friday, August 27, 10:00 AM
